Funny You Should Ask is a witty and heartwarming novel about love, loss, and the power of second chances. It's the story of Eleanor "Ellie" Friedman, a 39-year-old single woman who has spent her entire adult life playing it safe. She has a good job, a nice apartment, and a group of close friends, but she's never really taken any risks. And then she meets Gabe. Gabe is a successful entrepreneur who is everything that Ellie isn't: spontaneous, adventurous, and passionate. He challenges Ellie to step outside of her comfort zone, and she starts to fall for him. But just when she thinks she's finally found love, she discovers a secret that could tear them apart.
