

# Furniture Is Disappearing

**By Gemma White**

Gemma White's *Furniture Is Disappearing* is a moving and thought-provoking novel about love, loss, and transformation. Set against the backdrop of a world where furniture is mysteriously disappearing, the story follows Gemma White, a young woman who is struggling to come to terms with the recent death of her mother. As Gemma grapples with her grief, she must also confront the changing nature of her relationships with her friends and family.

*Furniture Is Disappearing* is a beautifully written and emotionally resonant novel that will stay with you long after you finish it. White's prose is lyrical and evocative, and her characters are richly drawn and relatable. The novel is a powerful meditation on the nature of loss and the importance of human connection.
