

Guns Don't Kill People: People Kill People

By [Author's Name]

In the wake of yet another mass shooting, the debate over gun control has once again been reignited. But what if the conventional wisdom on gun violence is wrong? What if the real problem isn't guns themselves, but the people who use them?

"Guns Don't Kill People, People Kill People": And Other Myths About Guns and Gun Control by Dennis A. Henigan

In his groundbreaking new book, *Guns Don't Kill People: People Kill People*, [Author's Name] challenges the conventional wisdom on gun violence. Drawing on years of research and analysis, [Author's Name] argues that the focus on gun control has been misplaced. The real problem, he says, is the culture of violence that has taken root in our society.

[Author's Name] identifies a number of factors that contribute to the culture of violence, including poverty, inequality, and lack of access to education

and opportunity. He also argues that the media plays a role in glorifying violence and making it seem more commonplace.

Guns Don't Kill People: People Kill People is a powerful and timely book that challenges the conventional wisdom on gun violence. It is a must-read for anyone who wants to understand the real causes of gun violence and find solutions to this pressing problem.
