About the Book

In *Ideas For Action: Relevant Theory for Radical Change*, Dr. Malatesha Joshi presents a cutting-edge analysis of the challenges facing our world today, from climate change to economic inequality. He argues that superficial reforms are no longer enough and that we need a fundamental transformation of our political and economic systems.

Drawing on a wide range of disciplines, from sociology to political science, Joshi develops a comprehensive framework for radical change. He offers concrete strategies for building mass movements, developing alternative institutions, and creating a more just and sustainable world.
