The author, who chooses to remain anonymous, was raped at the age of 19. In the aftermath of the assault, she struggled to cope with the physical and emotional trauma. She experienced nightmares, flashbacks, and panic attacks. She also withdrew from her friends and family, and began to self-medicate with alcohol and drugs.

After years of living in fear and silence, the author finally decided to seek help. She began therapy and joined a support group for survivors of sexual assault. Through these experiences, she began to heal and reclaim her life.

**Living In Fear Away From My Rapist** is a powerful and moving account of one woman's journey to overcome trauma and reclaim her life. The book is a testament to the strength and resilience of the human spirit, and it offers hope to other survivors of sexual assault.
