

Munich Germany September 14 2024

Proceedings Part Lecture Notes In Computer

The 14th International Conference on Computer Science and Information Technology (CSIT 2024) will be held in Munich, Germany, on September 14-16, 2024. The conference will provide a forum for researchers, practitioners, and educators to present and discuss the latest research findings, ideas, and developments in the field of computer science and information technology.

The conference will feature a keynote address by a world-renowned expert in the field, as well as a number of invited talks by leading researchers. In addition, the conference will include a variety of technical sessions, workshops, and tutorials.

The conference proceedings will be published in the Lecture Notes in Computer Science (LNCS) series by Springer.

Computer Vision – ECCV 2024 Workshops: Munich, Germany, September 8-14, 2024, Proceedings, Part I (Lecture Notes in Computer Science Book 11129)

Language	: English
File size	: 144992 KB
Text-to-Speech	: Enabled
Enhanced typesetting	: Enabled
Print length	: 1156 pages
Paperback	: 203 pages
Item Weight	: 12 ounces
Dimensions	: 5.94 x 0.55 x 8.27 inches

The conference program will include a keynote address, invited talks, technical sessions, workshops, and tutorials.

The keynote address will be given by Professor [Keynote Speaker Name], from [Keynote Speaker Affiliation]. The title of the keynote address is "[Keynote Address Title]".

The invited talks will be given by leading researchers in the field of computer science and information technology. The topics of the invited talks will include:

- [Invited Talk Topic 1]
- [Invited Talk Topic 2]
- [Invited Talk Topic 3]

The technical sessions will cover a wide range of topics in computer science and information technology, including:

- [Technical Session Topic 1]
- [Technical Session Topic 2]
- [Technical Session Topic 3]

The workshops will provide participants with an opportunity to learn about new technologies and research directions. The topics of the workshops will

include:

- [Workshop Topic 1]
- [Workshop Topic 2]
- [Workshop Topic 3]

The tutorials will provide participants with an overview of the latest research findings in computer science and information technology. The topics of the tutorials will include:

- [Tutorial Topic 1]
- [Tutorial Topic 2]
- [Tutorial Topic 3]

Authors are invited to submit original research papers, review papers, and workshop proposals. All submissions should be in English and should not exceed 10 pages in length.

Submissions should be formatted according to the LNCS guidelines. Templates for LaTeX and Word are available on the conference website.

Submissions should be submitted electronically through the conference website.

- **Paper submission deadline:** [Paper Submission Deadline]
- **Notification of acceptance:** [Notification of Acceptance Date]

- **Camera-ready paper submission deadline:** [Camera-Ready Paper Submission Deadline]
- **Conference dates:** September 14-16, 2024

For more information about the conference, please contact the conference organizers at
