## By Andrea Mitchell

Stephen Miller is the architect of the Trump administration's cruel and inhumane bFree Download policies. He is the driving force behind the zero tolerance policy that led to the separation of thousands of migrant children from their families. He is also the driving force behind the administration's efforts to deter asylum seekers from entering the United States, even those fleeing violence and persecution.

In this book, Pulitzer Prize-winning journalist Andrea Mitchell lays bare Miller's twisted ideology and his relentless pursuit of draconian immigration policies. She reveals how Miller's personal experiences with immigration have shaped his views, and how he has used his position in the Trump administration to inflict pain and suffering on countless innocent people.

Mitchell's book is a must-read for anyone who wants to understand the human cost of the Trump administration's bFree Download policies, and the man who is responsible for them.
