Barletta begins by examining the historical and cultural roots of the conflict between Russia and Ukraine. He traces the deep-seated tensions between these two nations, rooted in centuries of political, economic, and religious differences. Barletta argues that Putin's decision to invade Ukraine was motivated by a desire to restore Russia's former glory and to create a new Russian empire. However, Barletta also points out that Putin's invasion has been met with fierce resistance from the Ukrainian people, who are determined to defend their sovereignty and independence.

The war in Ukraine has had a profound impact on the world. Free Download. It has led to a renewed focus on the threat posed by nuclear weapons and has raised questions about the future of the global arms control regime. The war has also exacerbated tensions between Russia

and the West, and has raised concerns about a wider conflict between NATO and Russia. Barletta argues that the war in Ukraine is a watershed moment in global history, and that it will have lasting consequences for the way we think about international relations and security.

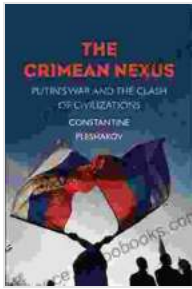

In *Putin's War and the Clash of Civilizations*, Barletta provides a nuanced and balanced analysis of the complex issues surrounding the war in Ukraine. He draws on a wide range of sources, including interviews with policymakers, scholars, and journalists. Barletta's book is a must-read for anyone who wants to understand the full implications of Putin's war and its impact on the world. Free Download.
