Shotgun Seamstress: An Anthology is a collection of 10 short stories by Mozart. The stories were written over a period of several years, and they cover a wide range of topics, from love and loss to music and travel.

Mozart's stories are full of wit, humor, and insight. They offer a glimpse into the mind of a genius, and they are a delight to read. Here is a brief excerpt from one of the stories, "The Impresario":

“The impresario was a fat man with a red face and a bald head. He was sitting at a table in the corner of the tavern, drinking wine and talking to a group of musicians.

"I need a new opera," he said. "I need something that will make people laugh and cry. Something that will be a hit with the public."

The musicians looked at each other. They all knew that the impresario was a difficult man to please. But they also knew that he was a man with a lot of money.

"We can do that," said one of the musicians. "We can write you an opera that will be a masterpiece."

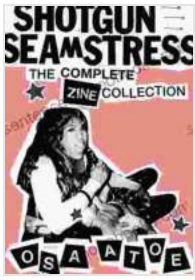

The impresario smiled. "I hope you're right," he said. "Because if you're not, I'll have your heads."”

Shotgun Seamstress: An Anthology is a must-read for fans of Mozart and for anyone who loves a good story.
