Trumpty Dumpty Pandemic Edition is a hilarious and insightful political satire that takes aim at the Trump administration's handling of the COVID-19 pandemic. With its witty rhymes and clever illustrations, the book skewers the administration's incompetence, dishonesty, and lack of empathy.

The book begins with a retelling of the classic nursery rhyme, "Humpty Dumpty." In this version, Humpty Dumpty is replaced by Trumpty Dumpty, a bumbling and egotistical leader who falls from his wall and can't be put back together again.

The rest of the book is a series of short, satirical poems that take aim at various aspects of the Trump administration's pandemic response. The poems cover a wide range of topics, from the administration's denial of the virus to its disastrous handling of testing and vaccine distribution.

Trumpty Dumpty Pandemic Edition is a must-read for anyone who is interested in politics, satire, or the COVID-19 pandemic. It is a witty and insightful book that will make you laugh, cry, and shake your head in disbelief.
