Released in 2012, "10 Piano With Cello" is a musical tapestry woven with profound emotion and breathtaking beauty. The album features 10 original compositions that showcase the extraordinary synergy between piano and cello. From the ethereal opening notes of "Michael Meets Mozart" to the stirring finale of "The Cello Song," this album takes listeners on a musical journey that is both enchanting and deeply moving.

The Creative Force Behind the Music

The Piano Guys are a quartet comprising pianist Jon Schmidt, cellist Steven Sharp Nelson, videographer Paul Anderson, and music producer Al

van der Beek. Their diverse backgrounds and shared passion for music have fueled their remarkable collaborations, resulting in a sound that defies categorization.

Central to the album's success is the virtuosic interplay between Schmidt's piano and Nelson's cello. Schmidt's delicate touch and intricate melodies provide a graceful foundation, while Nelson's soulful cello solos soar with an expressive intensity that captivates the listener's heart.

A Symphony of Inspirations

The compositions on "10 Piano With Cello" draw inspiration from a wide range of sources, from classical masterpieces to popular songs. The album's title track, for instance, seamlessly interweaves Bach's "Prelude in C Major" with the Beatles' "Blackbird." This juxtaposition of musical styles creates a unique and captivating listening experience.

Other highlights include "Watermark," a haunting and atmospheric piece inspired by the beauty of Bryce Canyon, and "Emerald City," an energetic and uplifting track that pays homage to the iconic Emerald City from The Wizard of Oz.

The Power of Collaboration

The success of "10 Piano With Cello" is a testament to the power of collaboration. The Piano Guys' shared vision and unwavering commitment to excellence have resulted in an album that transcends the boundaries of traditional music.

The album's stunning visuals, featuring breathtaking landscapes and cinematic storytelling, further enhance the musical experience. Anderson's

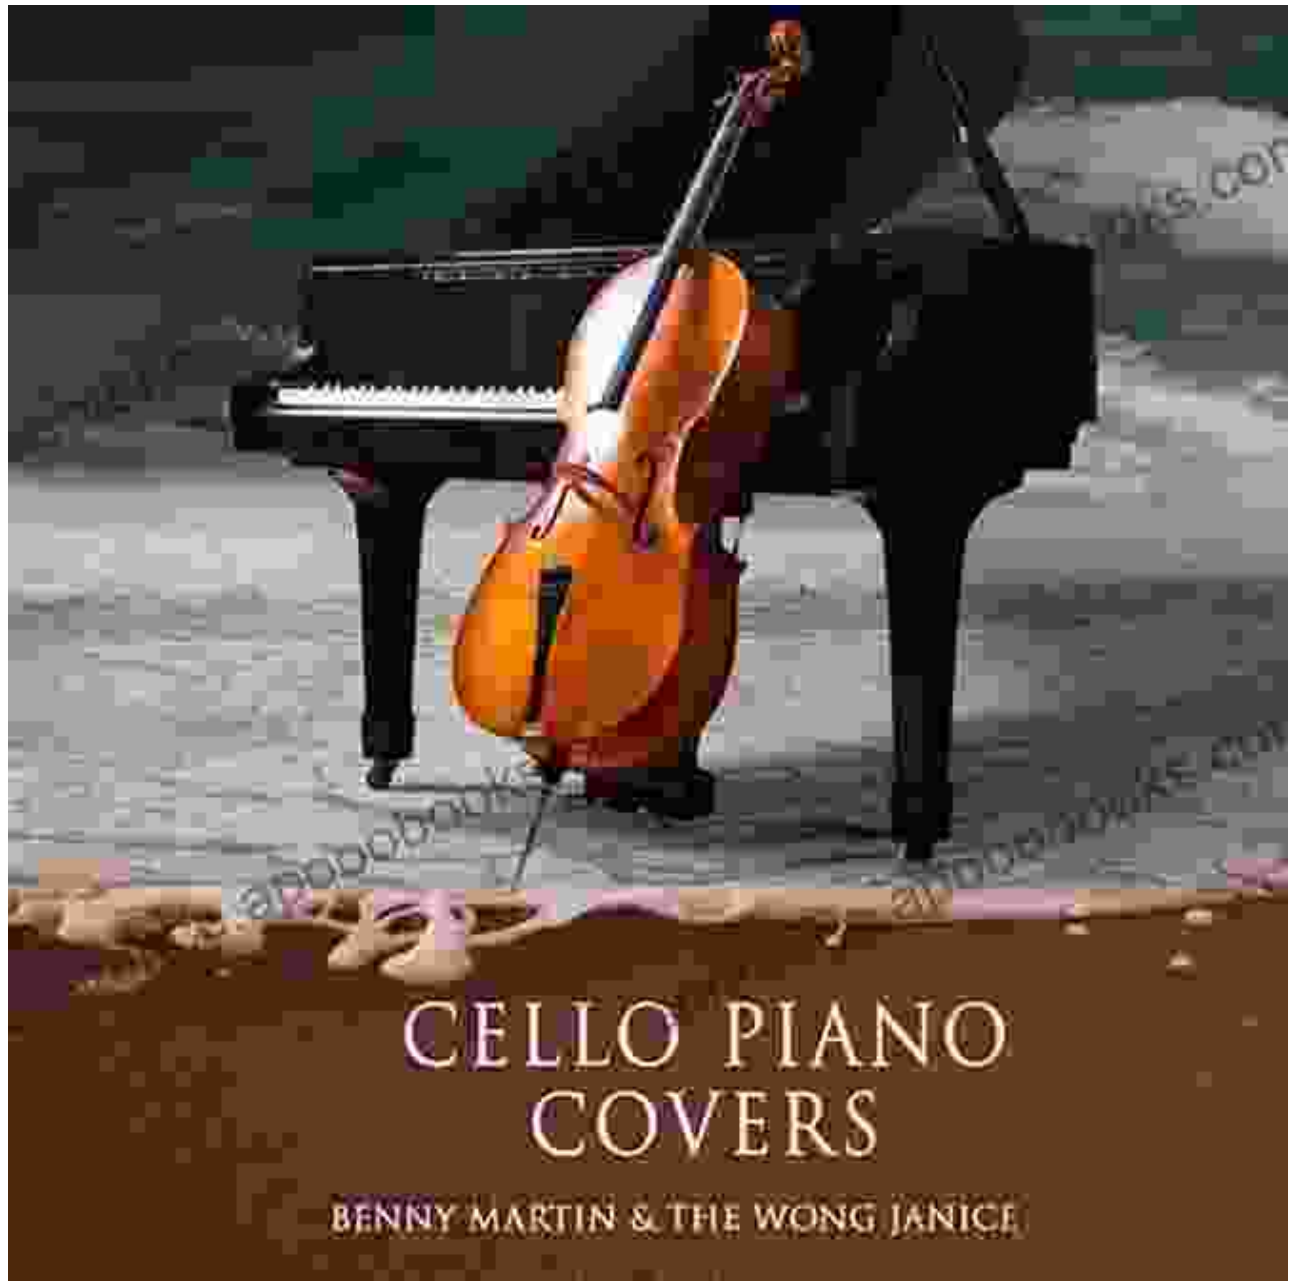

artistry as a videographer complements the music perfectly, creating a multisensory feast that captivates the senses.

A Musical Legacy

"10 Piano With Cello" has become a cornerstone of The Piano Guys' repertoire, and its impact continues to resonate with audiences. The album has sold millions of copies worldwide, garnered critical acclaim, and earned the group numerous awards, including a Billboard Music Award for Top Classical Album.

More importantly, "10 Piano With Cello" has touched the hearts of countless listeners, providing solace, inspiration, and pure musical joy. The album's legacy as a masterpiece of classical crossover will undoubtedly endure for years to come.

The Piano Guys' "10 Piano With Cello" is an extraordinary musical masterpiece that captivates listeners with its enchanting melodies, poignant harmonies, and seamless collaboration. This album is a testament to the power of music to transcend boundaries, touch hearts, and create a lasting legacy. Whether you are a seasoned music lover or new to the world of classical crossover, I highly recommend immersing yourself in the enchanting world of The Piano Guys and allowing their music to uplift and inspire you.
