Print length : 256 pages

The book begins by providing a brief overview of the history of white supremacy. The author then discusses the specific ways in which white supremacy has been used to justify the genocide of the Filipino people. The book also examines the ways in which white supremacy continues to impact the Filipino people today.

One of the most important contributions of this book is its focus on the Filipino people's resistance to white supremacy. The author shows how the Filipino people have fought back against white supremacy for centuries. This resistance has taken many forms, from armed struggle to cultural resistance. The book also highlights the ways in which the Filipino people have used their culture to heal from the trauma of white supremacy.

White Supremacy, Genocide, and the Filipino Condition is a well-written and well-researched book that is essential reading for anyone who wants to understand the history of the Philippines and the ongoing struggle against white supremacy. The book is a powerful indictment of white supremacy and a call to action for all of us to fight against this evil.
