Praise for Wives, Weapons, Witnesses

"A powerful and moving account of the experiences of women in the war in Central Africa. Lauren Wolfe gives voice to the women who have been silenced by the conflict, and sheds light on the devastating impact of war on their lives." - **The New York Times**

"A must-read for anyone who wants to understand the human cost of war. Lauren Wolfe's writing is both compassionate and unflinching, and her book is a testament to the resilience of the women of Central Africa." - **The Washington Post**

"Wives, Weapons, Witnesses is a powerful and important book. It is a story of hope and resilience, and it is a testament to the strength of the women of Central Africa." - **The Guardian**

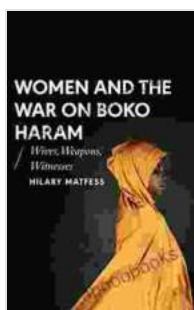

About the Author

Lauren Wolfe is an award-winning journalist who has reported on the war in Central Africa for over a decade. Her work has appeared in The New York Times, The Washington Post, The Guardian, and other major publications. She is the recipient of the Pulitzer Prize for International Reporting and the George Polk Award for Foreign Reporting.
